## Distinguished Alumni Award

**Dr. Leroy Brightup, G'58**

Dr. Brightup graduated from Friends in 1958 with a bachelor's degree in religion and philosophy. He began teaching religion at Friends in 1964 after pastoring in Kansas City while earning his bachelor of divinity. In 1970 he earned his doctorate before accepting additional responsibilities as registrar in 1980. After four years as registrar, Dr. Brightup returned his focus to the classroom and in 1988 began the Master of Arts in Christian Ministry program, serving as its director. He will retire this spring.

## Distinguished Alumni Award

**Eva Brightup, G'86**

Eva Brightup, G'86, has been a dedicated employee for more than 28 years. Most of her tenure has been spent working in the development area. Her service has been invaluable in the success of the University's gift planning program, and she is often sought out by other gift planning professionals for technical advice. Her expertise includes accounting and tax functions for the gift annuity program and various trust accounts. She will retire this spring.
